

REVISION DATES: 10/15/2015 CORRECTION: FIELDS 17, 19
09/14/2015; 05/31/2012

NOTE: This chapter applies to paper CMS 1500 claims submitted to AHCCCS. For information on HIPAA-compliant 837 transactions, please consult the appropriate Implementation Guide. Companion documents for 837 transactions are available on the AHCCCS Web site at www.azahcccs.gov. The companion documents are intended to supplement, but not replace, the 837 Implementation Guides for the 837 transaction.

The CMS 1500 claim form is used to bill for most non-facility services, including professional services, transportation, and durable medical equipment. Ambulatory surgery centers and independent laboratories also must bill for services using the CMS 1500.

CPT and HCPCS procedure codes must be used to identify all services.

ICD codes are required. AHCCCS does not accept DSM-4 diagnosis codes, and behavioral health services billed with DSM-4 diagnosis codes will be denied.

Completing the Revised CMS 1500 Claim Form (02/12)

The revised CMS-1500 health insurance claim form version 02/12 replaces version 08/05. On the new version 02/12 the 1500 symbol at the top left corner is replaced with a scanable Quick Response (QR) code symbol and the date approved by the NUCC.

The revised CMS-1500 version 02/12 will be required effective 4/1/2014 submission date. Claims submitted with the old CMS 1500 08/05 form will be returned, regardless of service date.

The following instructions explain how to complete the **paper** CMS 1500 claim form and whether a field is "Required," "Required if applicable," or "Not required."
